

This section only applies to GenerLink™ units equipped with optional surge protection. Check the product label on unit collar for the model number. Units with a model number MA23/24-S contain the whole house surge suppression system.

GenerLink™ units equipped with optional surge protection are also equipped with an audible alarm. The alarm will sound continuously if the surge components require service. (Refer to the Terms and Conditions for service instructions) Do not, under any conditions, attempt to remove or repair GenerLink™ yourself.

If the alarm is sounding, you **CAN CONNECT** a generator to GenerLink™. The audible alarm is an indication that service may be required. An authorized utility technician or licensed electrician must service the device. (Refer to the Terms and Conditions for service instructions)
